Publication history. Battle Chasers was one of the initial three comic book series published under the Cliffhanger label, which Madureira founded with fellow artists J. Scott Campbell (Danger Girl) and Humberto Ramos for Jim Lee's Image Comics imprint, WildStorm. When, effective in 1999, Wildstorm was sold to DC Comics, the Cliffhanger titles moved along, and issues 5 through 8 of Battle ...

1) The game is HEAVILY level-based in it's calculations. The damage you do and the damage you receive are all based on level differences between you and the enemy. If you can't beat a boss, come back after gaining 1 level. It makes a HUGE difference. I can't stress that enough. 2) Almost all combat modifiers are based on ATTACK. This is important, because the healing you do, the amount of ...

Some of the stuff in this game is confusing. I can buy a Tome of Knowledge for 25 coins or whatever the Collector currency is and it grants 1 perk to all my heroes. Or I can buy a Tome of Potential that does the same thing, but it cost 45 coins. What's the big deal with the Potential book costing more, but providing the same perk points? Or does it have 'potential' I'm not seeing?
