Caliban and the Witch
presents the main themes of
a research project on women
in the transition" from
feudalism to capitalism that
I began in the mid-1970s,
in collaboration with an
Italian feminist, Leopoldina
Fortunati. Its first result;
appeared in a book that we
published in Italy in 1984:

~~Caliban and the Witch:
Women, the Body and
Primitive ...~~

In Caliban and the Witch she addresses primitive accumulation, or a marxist analysis of the transition from feudalism to capitalism. Capitalism's beginnings, she argues, were not only about coercing bodies into becoming self-disciplining workers but also dividing the proletariat along identitarian lines in order to discipline and displace resistance to capitalism

Alexandra Day reviews Silvia

Online Library Caliban And The Witch Women The

Federici's seminal work,
Caliban and the Witch:
Women, the Body and
Primitive Accumulation.

First published in 2004,
Caliban and the Witch by
Silvia Federici is a work
well worth revisiting in
2020. The call to 'stay at
home' during the pandemic
has raised vital questions
about care, work, the home
and capitalism. The fact
that more work has been
piled into the home, and
that this has been
disproportionately
shouldered by women, has
shone a spotlight on pre ...

~~Body And Primitive~~
Review — REBEL

Caliban and the Witch:
Women, the Body and
Primitive Accumulation is a

2004 book by Silvia
Federici. It is among the
most important works to
explore gender and the
family during the primitive
accumulation of capital .

~~Caliban and the Witch Quotes
by Silvia Federici~~

~~2004 Author Silvia Federici~~
In Caliban and the Witch,
Silvia Federici tells the
sweeping story of how the
proletariat came to exist as
an exploited and exploitable
class. For Federici, the
central figure in the
transition from feudalism to
capitalism is women's
bodies. Women, she argues,
were subjugated in order to
reproduce a workforce that
could be treated like
machines.

revolts of the late Middle Ages to the witch-hunts and the rise of mechanical philosophy, Federici investigates the capitalist rationalization of social reproduction.

~~Caliban and the Witch Women,
The Body And Primitive ...~~

In Caliban and the Witch, Federici moves from the peasant revolts of the late Medieval period to the witch-hunts and the rise of mechanical philosophy to develop the historical groundings of social reproduction theory. Federici's method is centred on embodiment, as she attempts to locate the

source of women's oppression
under capitalism in the body
and reproductive servitude.
2004 Author Silvia Federici

~~MR Online | The Past as
Prologue: Caliban & the
Witch — a ...~~

“Caliban” and “The Witch”
both represent archetypal
enemies of capitalism.

“Caliban,” a character from
Shakespeare's *The Tempest*,
“represents not only the
anti-colonial rebel ... but is
a symbol for the world
proletariat and... for the
proletarian body as a
terrain and instrument of
resistance to the logic of
capitalism.”

~~Caliban and the Witch~~

Online Library Caliban And The Witch Women The

~~Summary | Diana's Moon~~

Unlike in Chaucer's day, when bawdy sexuality was celebrated for both men and women, sex between young and old, and between different classes, now becomes suspect. A negative connection is made between the prostitute and the witch, in the capitalist context in which prostitution is a growing social institution.

~~Review of Silvia Federici
