header as well as a footer. The control block could just be a simple table such as 3 by 4 table. This will be used to house the document control information required for one to configure management and compliance standards. The Procedure header and footer.

~~37 Best Standard Operating Procedure (SOP) Templates~~

A Standard Operating Procedure (SOP) is a document consisting of step-by-step information on how to execute a task. An existing SOP may need to just be modified and updated, or you may be in a scenario where you have to write one from scratch. It sounds daunting, but it's really just a checklist. See Step 1 to get the ball rolling.
