Marcel Duchamp. Duchamp believed strongly in doing work that was free from tradition and starting with as much of a blank slate as possible. He was also quite playful, worked slowly, and saw laziness as a good thing.

Marcel Duchamp: The Afternoon Interviews by Calvin Tomkins

In this conversation with Ruth Fine recorded on March 17, 1997, Calvin Tomkins shares the history of his relationship with Marcel Duchamp and the process of writing a biography on this enigmatic artist. As a foreign news writer for Newsweek with hardly any knowledge of Duchamp or modern art, Tomkins was assigned to interview him in 1959.

Fountain (Duchamp) - Wikipedia

Marcel Duchamp's life is sometimes described as his greatest work of art, but not until now, with the publication of Calvin Tomkins's monumental biography, has the interplay of life and art been fully revealed. Born into a large, closely knit bourgeois family, Duchamp followed his older brothers to Paris a few years before Cubism had revolutionized painting.

Duchamp: A Biography - Calvin Tomkins - Google Books

Duchamp was at the center of a storm cloud of creativity. In addition to being an incredible artist in his own right, he also created some incredible (modern) solutions for promoting his friends' shows and galleries. Because he lived in New York City (on 14th Street) for a period of his life, his biography seems surprisingly present day.

The Big Interview The Artist Whisperer: Legendary Journalist Calvin Tomkins on What Duchamp Taught Him, and How He Managed to Track Down David Hammons In his 60 years at the New Yorker, the writer has profiled many of the greatest artists of the age. Andrew Goldstein, December 16, 2019

The Artist Whisperer: Art Journalist Calvin Tomkins on ...

A fabulous read...Calvin Tomkins at his best & a wonderful insight into Duchamp, much of it in his own words. I started reading it right after I opened the package & finished it the next morning. In all of the art history I have studied, Duchamp has generally been presented as mysterious &/or inexplicable.
