There are five levels of heading in APA Style. Level 1 is the highest or main level of heading, Level 2 is a subheading of Level 1, Level 3 is a subheading of Level 2, and so on through Levels 4 and 5. The number of headings to use in a paper depends on the length and complexity of the work. If only one level of heading is needed, use Level 1.

the older APA 6 style can be found here. Headings. APA Style uses a unique headings system to separate and classify paper sections. Headings are used to help guide the reader through a document. The levels are organized by levels of subordination, and each section of the paper should start with the highest level of heading. There are 5 heading levels in APA. Regardless of the number of levels, always use the headings in order, beginning with level 1.
