Review of Inside the Poker Mind

The subtitle of this book,

"Essays on Hold 'em and General

Online Library

Inside The

Poker Concepts, "

is more
accurate, since
it reads like a

follow-up to the
also-excellent

"Theory of
Poker" by David

Sklansky. As

such, this is an
advanced poker
text and should
ideally only be
read by those

Online Library

who have already
absorbed several
other poker
books.
