March 2019 Lidcombe Program Treatment Guide

The Lidcombe Program is a behavioural treatment for stuttering in preschool-age children. In this program, a parent or some other significant person in the child's life delivers the treatment in the child's everyday environment. The parent learns how to do this during weekly visits with the child to the speech clinic.

Manual for the Lidcombe Program of Early Stuttering ...

The Lidcombe program is a stuttering treatment program developed by the Australian Stuttering Research Centre. It is an early intervention behaviour based program designed for children who have developed stutter speech in the age group from 2 - 6 years old.

Lidcombe Program for Childhood Stuttering

With the Lidcombe Program for childhood stuttering, our first goal, usually, is to eliminate or virtually eliminate the child's stuttering in "structured activities" at home (early Stage 1). By "structured activities", we mean that we set up the sessions deliberately in a way to get the child as flu

Lidcombe Program Trainers Consortium

The Lidcombe Program is a treatment that has been shown with clinical trials to be an effective early intervention. Early intervention is essential for three reasons. The first is that it is known that children under 6 years old who stutter can receive social penalties from other children in the form of teasing and bullying.

Stuttering and Children Younger than Six Years | Lidcombe ...

The Lidcombe Program of Early Stuttering Intervention is an evidence-based behavioral treatment program. It has been proven to be extremely effective throughout the world. This program requires a commitment by the parents to provide a daily structured 10 || 15 minute session with their child.

The first step to getting help from CAMHS is usually that you will be referred for a CAMHS assessment. This referral can come from your parents/carers, a teacher, GP, or yourself if you are old enough (depending on where you live). If you're being supported by social care, a youth offending team, or a service at your school, they might also be able to refer you.

Guide to CAMHS

City, University of London is a leading global university committed to academic excellence, focused on business and the professions and located in the heart of London, UK.
