Introduction - United States Army Technical Manuals: A ...

United States Army Field Manuals are published by the United States Army's Army Publishing Directorate. As of 27 July 2007, some 542 field manuals were in use. They contain detailed information and how-tos for procedures important to soldiers serving in the field. Starting in 2010, the US Army began review and revision of all of its doctrinal publications, under the initiative "Doctrine 2015".
