Management Control System - Definition, Characteristics ...

Strategic Planning Strategy Execution Balanced Scorecard. Performance measurement and performance management may sound similar, but while they are complementary to one another, they are entirely separate strategic practices. The Balanced Scorecard creators, Drs. Robert S. Kaplan and David P. Norton, played a large role in championing these terms. In 1996, Kaplan and Norton published The Balanced Scorecard: Translating Strategy into Action.

---

Performance Measurement Vs. Performance Management

(2) measuring performance against these standards; and (3) correcting deviations from standards and plans.1: A good management control system stimulates action by spotting the significant variations from the original plan and highlighting them for the people who can set things right.2: Controls need to focus on results.3
