In social dance, the black body achieves a freedom from traditional American strictures defining legitimate corporeality. The dancing black body, responding to and provoking the drumbeat, acts performatively against the common American law of black abjection.

~~Thomas F. DeFrantz — MIT~~

A costume that contrasts a dancer ' s body makes the seem less graceful, which makes them appear to be less skilled than the other dancers, which in turn feeds stereotypes of all black girls being less graceful and therefore not correct for ballet.
