The Just War Revisited by Oliver O'Donovan

The Just War Revisited (Current Issues in Theology) Oliver O'Donovan. The just-war position has often been misunderstood and wrongly applied to try justify conflict that has already begun. This book does a good job of returning to a classic understanding of the theory of a just war. However, the author makes some large assumptions about the state of humanity and forgets that we are incapable of perceiving justice in a manner that is in a state of grace without the flaws of sin and subjective ...

Where To Download The Just War Revisited Current Issues In Theology

O'Donovan walks through 'just war' theory with sections on authority, discrimination, proportion and their sub-categories. The nature of the international system and warfare technology has changed much since the beginning of the 20th century and the application of just war theory is in constant debate following the collapse of the Soviet Union.

the just war revisited current issues in theology
The book is a compilation of lecture essays that were delivered in Scotland (I think). He takes contemporary issues in war and peace and holds them up to the just war tradition and carves a path between liberal and conservative assumptions on issues such as nuclear warfare, urban guerilla warfare, weapons of mass destruction, terrorism, and their relation to a Christian political theology.

Amazon.com: Customer reviews: The Just War Revisited ...
Just war theory (Latin: jus bellum justum) is a doctrine, also referred to as a tradition, of military ethics studied by military leaders, theologians, ethicists and policy makers. The purpose of the doctrine is to ensure war is morally justifiable through a series of criteria, all of which must be met for a war to be considered just. The criteria are split into two groups: "right to go to war ...

Just war theory - Wikipedia
Summary: Leading political theologian Oliver O'Donovan takes a fresh look at some traditional moral arguments about war. Christians differ widely on this issue. The book re-examines questions of contemporary urgency, including the use of biological and nuclear weapons, military intervention, economic sanctions, war-crimes trials, and the role of the UN.

The Just War Revisited Current Issues In Theology [EPUB]
The Just War theory specifies conditions for judging if it is just to go to war, and conditions for how the war should be fought. Although it was extensively developed by Christian theologians, it ...

BBC - Ethics - War: Just War - introduction
The just war tradition is based on a series of arguments to be tested before using force against another population. Legitimate and competent authorities must logically argue that the use of force will end or limit the suffering of a people and these forceful actions are the last options after all diplomatic, social, political, and economic measures have been exhausted.
